I. INTRODUCTION

This arbitration was brought by Named Claimants Laryssa Jock, Christy Meierdierks, Kelly Contreras, Maria House, Denise Maddox, Lisa McConnell, Gloria Pagan, Judy Reed, Linda Rhodes, Nina Shahmirzadi, Leighla Smith, Dawn Souto-Coons and Marie Wolf (collectively, the Named Claimants), on behalf of themselves and other members of the EPA Settlement Class and the Title VII Settlement Class (collectively, Settlement Class Members) against Respondent Sterling Jewelers Inc. (Sterling). The Named Claimants and Sterling shall jointly be referred to in this Settlement Agreement as the Parties. The Named Claimants allege that Sterling employed pay and promotion practices with the purpose, and which had the effect, of engaging in discrimination on the basis of sex in violation of 42 U.S.C. § 2000e-5 *et seq.*, 42 U.S.C. § 1981a, Title VII of the Civil Rights Act of 1964, as amended by the Civil Rights Act of 1991 (Title VII), and the Equal Pay Act, 29 U.S.C. § 206(d)(1) (EPA). Sterling denies any and all allegations of actual or potential wrongdoing and/or violations of law, and the Settlement Agreement and Final Approval Award and all other settlement related documents shall not be admissible in any other administrative or civil litigation proceeding as evidence of wrongdoing or an alleged violation of law.

In the interest of resolving the dispute between the Parties without the expense, delay, and inconvenience of further litigation of the issues raised in this action, and in reliance upon the representations, mutual promises, covenants, and obligations set out in this Settlement Agreement, and for good and valuable consideration also set out in this Settlement Agreement, the Parties, through their undersigned counsel of record, hereby stipulate and agree as follows:

II. LITIGATION HISTORY

In 2005, the Named Claimants and other female Sterling employees filed charges of discrimination with the Equal Employment Opportunity Commission (“EEOC”) alleging that Sterling denied women the same promotional opportunities made available to men and paid women less than men for the same work performed in the same facilities in violation of Title VII and the EPA. These female employees and others also initiated complaints through Sterling’s RESOLVE Program, a mandatory three-step alternative dispute resolution program, which culminated in arbitration.¹

On March 24, 2008, pursuant to Sterling’s RESOLVE Arbitration Program, the Named Claimants filed a Class Arbitration Complaint with the American Arbitration Association (AAA) alleging violations of Title VII and the EPA.² Throughout the pendency of the litigation, Sterling has denied all allegations against it.

On June 1, 2009, the Arbitrator³ issued a Clause Construction Award authorizing Claimants to proceed as a putative class and to seek class certification in the Arbitration.

¹ Sterling adopted the RESOLVE Program on June 1, 1998 and required new employees to sign the RESOLVE Arbitration Agreement as a condition of their employment. Sterling ceased use of the RESOLVE Program as of May 2, 2018.

² Claimants originally filed their complaint in the United States District Court for the Southern District of New York (“District Court”) on March 18, 2008. Once Sterling stipulated that pursuant to the RESOLVE Agreement, an arbitrator had the authority to grant injunctive relief to Claimants, Claimants filed a motion to compel arbitration in the district court. On June 19, 2008, the district court granted the motion to refer the matter to arbitration and stayed the litigation.

³ From March 24, 2008 until May 19, 2020, former United States Magistrate Judge for the Southern District of New York Kathleen Roberts served as the Arbitrator to this action. From February 2021 to the present day, former United States District Court Judge for the Eastern District of New York John Gleeson has served as the Arbitrator.

On February 2, 2015, the Arbitrator granted Claimants' class certification motion in part and denied it in part. The Arbitrator certified Claimants' claims under Title VII alleging that Sterling's pay and promotion practices had an unlawful disparate-impact on all female Retail Sales Associations, who were defined to include sales associates, department managers, assistant managers and assistant general managers, and store managers and general managers. The class was defined to include pay discrimination claims arising from July 22, 2004 to the first day of trial and from December 7, 2004 for the promotion discrimination claims. The class was certified pursuant to Rule 4 of the AAA Class Rules and Federal Rule of Civil Procedure 23(b)(2) and (c)(4), which permitted the class to pursue declaratory and injunctive relief. The Arbitrator denied certification of the pattern or practice intentional discrimination claims brought under Title VII and denied certification of the claims for monetary relief, reserving the opportunity to revisit that ruling later. On February 29, 2016, the Arbitrator granted Claimants' motion for conditional certification and notice of their EPA claims and, in response to notice of the EPA collective action arbitration, approximately 10,000 female current and former employees consented to join the Arbitration.

Following the Arbitrator's ruling on class certification, the parties engaged in merits-phase discovery, which commenced on April 11, 2016 and closed on November 10, 2017. Thereafter, Sterling filed 14 motions that included motions for summary judgment, motions to dismiss, motions to strike or exclude Claimants' expert testimony, and a motion to vacate certification of the EPA claims. Claimants also filed motions to strike or exclude Sterling's expert testimony. In addition, the parties filed a total of 13 motions *in limine*.

After the Class Certification Award was upheld by the Second Circuit and the Supreme Court denied review, a new Arbitrator heard argument and ruled on the major motions in November 2021.⁴ The Arbitrator denied Sterling's motions for summary judgment of Claimants' pay and promotion claims under Title VII. The Arbitrator denied Sterling's motions to decertify Claimants' Title VII promotion claims and Claimants' EPA claims. The Arbitrator denied summary judgment of Claimants' EPA claims in their entirety, but dismissed the EPA claims of 64 opt-ins for whom no evidence was presented of an individual male comparator under the EPA and ruled that eight Claimants who joined the EPA case but who had not submitted discovery responses were compelled to do so or would be dismissed from the EPA case.⁵ Trial was set to begin on September 6, 2022.

The Parties held their first mediation in 2007. The parties engaged in five additional mediation sessions with experienced class action mediator Hunter R. Hughes III, Esq. in 2008, 2013, 2016, 2018 and 2022. While simultaneously preparing for the trial scheduled to begin in September 2022, the Parties participated in mediation during May 2022 and over the course of a month, under the close supervision of Mr. Hughes, the Parties have reached this Settlement.

For purposes of this Settlement Agreement, the Parties consent to the Arbitrator’s authority to decide whether the Settlement Agreement is fair, adequate and reasonable. Further, the Parties agree that if the Arbitrator issues an award finding that the Settlement Agreement is fair, adequate and reasonable to the class as a whole after members of the Settlement Class Members have been provided notice and an opportunity to object to and opt out of the Settlement Agreement, the Parties will jointly seek confirmation of the Final Approval Award pursuant to Section 9, FAA. The Parties agree that venue for confirmation of the Final Approval Award is proper in the United States District Court for the Southern District of New York. The Arbitrator or his successor shall retain jurisdiction of this Litigation during the duration of the Settlement Agreement for the purpose of entering all orders, judgments and awards which may be necessary to implement the relief provided herein.

B. Effective Date and Duration of Settlement Agreement

1. Effective Upon Final Approval and Exhaustion of Appeals

Unless provided otherwise, all provisions in this Settlement Agreement are binding upon the Parties upon the Effective Date.

2. Term of the Settlement Agreement

The provisions of this Settlement Agreement shall remain in effect for three years after the Effective Date of this Settlement Agreement.

3. Modifications to the Settlement Agreement

The Parties shall have the right to seek modification of the Settlement Agreement by the Arbitrator to ensure that its purposes are fully effectuated.

C. Scope of Settlement Agreement

1. Class Definition

On February 2, 2015, a class was certified pursuant to Rules 23(b)(2) and 23(c)(4) of the Federal Rules of Civil Procedure and Rule 4 of the AAA Supplementary Class Arbitration Rules (AAA Class Rules), consisting of female Retail Sales Associates asserting pay and promotion discrimination claims under Title VII.⁷ Class Determination Award, Doc. 0289, at 8. While the order granting class certification permitted class members to seek declaratory and injunctive relief, it denied certification of the claims to back pay, reserving the opportunity to address procedures for determining back pay at a later time. *Id.* at 108

⁷ The Title VII class is limited to Retail Sales Associates who were hired on or before May 2, 2018, when Sterling discontinued its RESOLVE mandatory arbitration program, because only those employees who executed RESOLVE agreements may be bound by the determinations in this arbitration. *See Jock v. Sterling Jewelers Inc.*, 942 F.3d 617 (2d Cir. 2019), *cert. denied*, 141 S. Ct. 255 (2020). Pay discrimination claims accruing on or after July 22, 2004 and promotion discrimination claims accruing on or after December 7, 2004 are included in the arbitration. Doc. 0289, at 8.

n.425. For settlement purposes only, the Claimants seek certification of their Title VII back pay claims pursuant to Rule 23(b)(3) of the Federal Rules of Civil Procedure and Rule 4 of the AAA Class Rules and Sterling will not oppose certification of these claims for settlement purposes only. On February 29, 2016, Arbitrator Roberts conditionally certified a collective action of female Retail Sales Associates asserting claims under the EPA (the collective action is referred to as the EPA Settlement Class).⁸ Collective Action Conditional Certification Award, Doc. 0359.

2. Opt-out Rights

If this Settlement Agreement is approved by the Arbitrator and confirmed by the District Court, all members of the Title VII Settlement Class shall be bound by the programmatic relief provisions of this Settlement Agreement (Sections VII). Members of the Title VII Settlement Class and EPA Settlement Class may opt out of the monetary provisions of this Settlement Agreement pursuant to the procedure set forth in Section IX.C. of this Settlement Agreement.

3. Eligible Class Members

All Settlement Class Members who do not timely opt out of the monetary provisions of this Settlement Agreement pursuant to Section IX.C. are eligible to receive monetary relief made available pursuant to this Settlement Agreement.

⁸ The Arbitrator ruled that the running of the limitations period for Equal Pay Act claims was tolled as of October 16, 2003, thereby permitting female Retail Sales Associates who were employed on or after October 16, 2003, until the end of the notice period to join the collective action. Ord. Re Cls.' Mot. for Tolling of EPA Limitations Period, Doc. 0360.

4. Claims After the Date of the Preliminary Approval Award

Nothing in the Settlement Agreement shall be construed to bar any claims of Settlement Class Members that arise after the date of the Preliminary Approval Award.

D. No Admission of Wrongdoing or Liability

Sterling expressly denies any wrongdoing or liability. This Settlement Agreement represents the compromise of disputed claims. It reflects the Parties' recognition that litigation of these claims would severely burden all concerned and would require a further commitment of time, resources and money. The Settlement Agreement does not constitute, is not intended to constitute, and shall not under any circumstances be deemed to constitute, an admission by either party as to the merits, validity, or accuracy, or lack thereof, of any of the allegations, claims, or defenses alleged in this Litigation.

E. Duty to Support and Defend the Settlement Agreement

The Named Claimants, Class Counsel and Sterling each agree to use their best efforts to defend the Settlement Agreement from any legal challenge, whether by appeal or collateral attack.

F. Interpretation of Settlement Agreement

1. Nature of Agreement

This Settlement Agreement is a contract and shall, upon issuance of the Final Approval Award by the Arbitrator and upon confirmation by the District Court, also constitute an order of the Arbitrator, and all of its provisions shall be enforceable by the Parties and as an order of the Arbitrator confirmed by the District Court pursuant to Section 9, FAA. The Parties shall apply to the Arbitrator for enforcement of the provisions of this Settlement Agreement, but in the event either party fails to comply with an order of the

Arbitrator enforcing the Settlement Agreement, the party seeking to enforce the order of the Arbitrator may seek confirmation of the Arbitrator's order in the District Court.

2. Counterparts

This Settlement Agreement may be executed in one or more counterparts, and each executed copy shall be deemed an original, which shall be binding upon all Parties to this Settlement Agreement.

3. Headings

The headings in this Settlement Agreement are for the convenience of the Parties only, and shall not limit, expand, modify, amplify, or aid in the interpretation or construction of this Settlement Agreement.

4. Entire Agreement

This Settlement Agreement, including Exhibits, comprises the full and exclusive agreement and understanding of the Parties with respect to this settlement, and supersedes all prior written or oral agreements (including, without limitation, any and all term sheets previously agreed to by the Parties). No representations or inducements to compromise this action have been made, other than those recited in this Settlement Agreement. This Settlement Agreement does not impose any obligations on the Parties beyond the terms and conditions stated herein.

5. No Waiver

The waiver by any party of any term, condition, covenant, or representation of this Settlement Agreement or the breach of any term, condition, covenant, or representation herein, in any one instance, shall not operate as, or be deemed to be a waiver of, the right to enforce any other term, condition, covenant, or representation. The failure by any party at any time to enforce, or require performance of, any provision of this Settlement Agreement

shall not operate as a waiver of, or limit such party's right at a later time to enforce or require performance of such provisions or of any other provisions of this Settlement Agreement.

6. Severability

Except as set forth below, if after the Effective Date, any term or provision of this Settlement Agreement, or the application thereof to any person or circumstances, is held to any extent to be invalid or unenforceable, the remainder of this Settlement Agreement, or the application of such term or provision to persons or circumstances other than those as to which it is held to be invalid or unenforceable, shall not be affected thereby, and each term and provision of this Settlement Agreement shall be valid and enforceable to the fullest extent permitted by law. Notwithstanding the above, if (1) all of the monetary relief provisions in Section V; (2) any of the release provisions in Section VIII; or (3) all of the equitable relief provisions in Section VII of this Settlement Agreement are held to be invalid or unenforceable, the entire Settlement Agreement shall be null and void.

7. Governing Law

The Parties agree that the validity, construction, and enforcement of this Settlement Agreement shall be governed by precedent in the United States District Court for the Southern District of New York and the U.S. Court of Appeals for the Second Circuit.

8. Extension of Time by Agreement of Parties

All time deadlines established in this Settlement Agreement, except for those deadlines adopted or established by the Arbitrator in its Preliminary Approval Award or Final Approval Award, may be extended by agreement of the Parties.

9. Binding Agreement

This Settlement Agreement is binding on all Parties and their successors, assigns, representatives, and trustees.

V. MONETARY RELIEF

A. The Gross Settlement Fund

In satisfaction of the monetary claims of the Named Claimants, Special Claimants, and all other Settlement Class Members who do not timely opt out of this Settlement Agreement pursuant to Section IX.C., the attorneys' fees, costs, and expenses of Class Counsel, and the expenses of the Settlement Administrator, upon the Effective Date, Sterling will wire the Gross Settlement Fund of One Hundred Seventy-Five Million Three Hundred Sixty-Six Thousand Dollars and No Cents (\$175,366,000.00) to a Qualified Settlement Fund established by the Settlement Administrator.

B. The Class Settlement Fund

One Hundred Twenty-Five Million Dollars and No Cents (\$125,000,000.00) shall be allocated from the Gross Settlement Fund for all purported damages of any kind for the Named Claimants, Special Claimants, and other Settlement Class Members, including, all interest, penalties, compensatory damages and service payments described below in Section V.E. ("Class Settlement Fund"). This amount includes the Reserve Fund. This amount does not include the Employer Share of Taxes. The Employer Share of Taxes shall be paid by Sterling in addition to the Gross Settlement Amount.

C. Class Counsel's Attorney's Fees, Expenses, and Costs

Forty-Five Million Dollars and No Cents (\$45,000,000.00) shall be allocated from the Gross Settlement Fund for Class Counsel's attorneys' fees and Four Million Eight Hundred Sixty-Six Thousand Dollars and No Cents (\$4,866,000.00) shall be allocated from the Gross Settlement Fund for Class Counsel's costs and expenses incurred in this Litigation. This amount shall be the total amount Sterling pays for attorneys' fees, costs and expenses of Class Counsel. The amounts sought to be awarded to Class Counsel shall be subject to

approval by the Arbitrator, and any modification or reduction of any award sought by Class Counsel shall not affect the validity of the other terms of this Settlement Agreement.

D. Settlement Administration Expenses

Up to Five Hundred Thousand Dollars and No Cents (\$500,000.00) from the Gross Settlement Fund shall be paid to the Settlement Administrator for its costs and expenses in performing its duties under this Settlement Agreement. In the event the expenses of the Settlement Administrator exceed \$500,000.00, the additional expenses shall be paid from the Reserve Fund. In the event that the Settlement Agreement is not approved by the Arbitrator or confirmed by the District Court, Sterling agrees to pay the expenses of the Settlement Administrator through the date of non-approval and for any notice required by the Arbitrator regarding the settlement or denial of approval of the settlement.

E. Service Payments

The Named Claimants and Special Claimants identified on Exhibit 3 shall be paid the amounts set forth on Exhibit 3 in recognition of: (a) the time each devoted to serving as class representatives over the more than 17 years in which this case has been pending, filing charges of discrimination with the EEOC, being interviewed by the EEOC regarding these charges, filing three-step detailed RESOLVE claims, mediating these claims, appearing for depositions, responding to interrogatories and document requests, and assisting in preparation for depositions taken of Sterling's officers; (b) the risks undertaken in filing charges of discrimination with the EEOC, filing RESOLVE claims, and serving as class representatives, including the risk that awardable litigation and other costs might be assessed against them; (c) releasing additional claims plead in their RESOLVE claim forms; (d) for mediating their claims through the RESOLVE program and insisting on pursuing claims on behalf of all Settlement Class Members versus accepting significant settlement offers; and (e) executing a

general release rather than the release of claims applicable to other Settlement Class Members. The amounts sought to be awarded to the Named Claimants and Special Claimants set forth on Exhibit 3 shall be in addition to their share of the Class Settlement Fund pursuant to the allocation plan set forth in Sections V.I.-V.J. and shall be subject to approval by the Arbitrator, and any modification or reduction of any award sought by a Named Claimant or Special Claimant shall not affect the validity of the other terms of this Settlement Agreement.

F. Data Production for Allocation of the Class Settlement Fund

Within 35 calendar days of the Preliminary Approval Award, Sterling agrees to provide the Settlement Administrator with a count of the number of days worked by each Settlement Class Member as a Retail Sales Associate in each of the following jobs: part-time sales associate, full-time sales associate, department manager, assistant manager or assistant general manager, or store manager or assistant general manager during the periods (counts of calendar days an associate worked in each job group with separate counts for each group). This data will be used by the Settlement Administrator and Class Counsel solely for the purpose of allowing the Settlement Administrator and Class Counsel to calculate the number of days worked in each job category. For the Title VII Settlement Class, counts will be provided for total days employed by members of the Title VII Settlement Class in each of the five jobs any time between July 22, 2004 and the date of the Preliminary Approval Award. For the EPA Settlement Class, counts will be provided for total days employed by members of the EPA Settlement Class in each of the five jobs any time between October 16, 2003 and the date of the Preliminary Approval Award. For calculation of settlement shares, members of the EPA Settlement Class shall be considered members of the Title VII Settlement Class and shall have the full days in which they worked in each job category included in the Title VII Settlement Class.

G. Reserve Fund

The Reserve Fund shall be the amount set aside by the Settlement Administrator to cover (i) any errors or omissions in the identification of Settlement Class Members or their counts of the weeks employed as Retail Sales Associates during the Title VII Settlement Class period or the EPA Settlement Class period; (ii) any amount of fees and expenses incurred by the Settlement Administrator that exceeds the initial \$500,000 allocated from the Gross Settlement Amount for such purposes; (iii) any amount of fees and expenses that may be incurred by Claimant's expert Dr. Kathleen Lundquist in performing the work described in Sections VII. In the event that a Settlement Class Member contacts Class Counsel, Sterling, or the Settlement Administrator within 120 days after the initial mailing of the first distribution checks and provides sufficient proof that her days employed as a Retail Sales Associate during the Title VII Settlement Class period or the EPA Settlement Class period were incorrect, the additional amount of her monetary award shall be increased and deducted from the Reserve Fund. In addition, if any Retail Sales Associate, who was not identified as a member who worked during the Title VII Settlement Class period or the EPA Settlement Class period, contacts Class Counsel, Sterling, or the Settlement Administrator within 120 days after the initial mailing of the first distribution checks and provides sufficient proof that she was employed as a Retail Sales Associate during the Title VII Settlement Class period or the EPA Settlement Class period and she timely opted into the EPA Settlement Class, the amount of her monetary award shall be calculated consistent with this Settlement Agreement and paid from the Reserve Fund. After conferring with the Parties, the Settlement Administrator shall determine whether sufficient proof was submitted of class membership or corrections to the count of the days worked and such determination shall be binding on all Settlement Class Members, Class Counsel and Sterling.

H. Allocation of the Class Settlement Fund

The Class Settlement Fund will be allocated among Settlement Class Members, who do not timely opt out of this Settlement Agreement, as follows: Members of the Title VII Settlement Class shall share 88.5 percent (the Title VII Settlement Class Share) and members of the EPA Settlement Class shall share 11.5 percent (the EPA Settlement Class Share) of the remainder of the Class Settlement Fund after deducting the Reserve Fund and amounts approved by the Arbitrator for service payments to Named Claimants and Special Claimants.

I. Allocation of the Title VII Settlement Class Share

For all calendar days employed in each of the five jobs covered by this Settlement Agreement during the period, July 22, 2004 to the date of the Preliminary Approval Award, members of the Title VII Settlement Class shall be allocated \$8.21 per calendar day (\$2,996 per year) employed as a store manager or general manager, \$5.28 per calendar day (\$1,928 per year) employed as an assistant manager or assistant general manager, \$3.28 per calendar day (\$1,196 per year) employed as a department manager, \$1.84 per calendar day (\$672 per year) employed as a full-time sales associate, and \$0.74 per calendar day (\$270 per year) employed as a part-time sales associate. Members of the EPA Settlement Class shall be considered members of the Title VII Settlement Class and receive credit for all days worked in positions encompassed within the Title VII Settlement Class. The minimum amount for the settlement share of a member of the Title VII Settlement Class shall be \$50.00. The settlement share of each member of the Title VII Settlement Class shall be calculated by dividing the total allocated amount for that member of the Title VII Settlement Class by the total allocated amounts for all members of the Title VII Settlement Class and multiplying this amount times the Title VII Settlement Class Share. The Settlement Administrator shall provide Class Counsel and Sterling's counsel with the calculations of the Title VII

Settlement Class payments for Settlement Class Members to review and approve before being finalized for payment to Settlement Class Members.

J. Allocation of the EPA Settlement Class Share

For all calendar days employed in each of the five jobs covered by this Settlement Agreement during the period, October 16, 2003 to the date of the Preliminary Approval Award, members of the EPA Settlement Class shall be allocated \$8.21 per calendar day (\$2,996 per year) employed as a store manager or general manager, \$3.73 per calendar day (\$1,361 per year) employed as an assistant manager or assistant general manager, \$3.16 per calendar day (\$1,152 per year) employed as a department manager, \$1.37 per calendar day (\$500 per year) employed as a full-time sales associate, and \$0.41 per calendar day (\$150 per year) employed as a part-time sales associate. The minimum amount for the settlement share of a member of the EPA Settlement Class shall be \$50.00. The settlement share of each member of the EPA Settlement Class shall be calculated by dividing the total allocated amount for that member of the EPA Settlement Class by the total allocated amounts for all members of the EPA Settlement Class and multiplying this amount times the EPA Settlement Class Share. The Settlement Administrator shall provide Class Counsel and Sterling's counsel with the calculations of the EPA Settlement Class payments for Settlement Class Members to review and approve before being finalized for payment to Settlement Class Members. This payment for EPA Settlement Class members shall be made in addition to any payments those members may receive as Title VII Settlement Class members.

K. Tax Treatment

1. The Parties recognize that the awards to Settlement Class Members will be subject to applicable tax withholding and reporting. Amounts paid to Settlement Class Members pursuant to this Settlement Agreement will be treated as 75 percent back wages,

subject to withholding of taxes required by law and reporting on and IRS Form W-2, and as 25 percent interest or liquidated damages subject to being reported on IRS Form 1099-MISC and IRS Form 1099-INT and not subject to withholding. Amounts paid to Named Claimants or Special Claimants as service payments pursuant to Section V.E. shall not be treated as wages and shall be reported on IRS Form 1099-MISC. Amounts paid for Class Counsel's fees and costs shall not be subject to withholding and shall be reported to the IRS on Form 1099-MISC.

2. The Settlement Administrator shall be responsible for withholding and timely remitting and reporting of the Settlement Class Members' IRS forms. The Settlement Administrator shall inform Sterling in writing of the amount Sterling needs to remit to cover the Employer Share of Taxes within ten calendar days after it makes its determination of payments. If Sterling disagrees with the Settlement Administrator's calculation, it shall notify the Settlement Administrator within ten calendar days setting forth the basis for the disagreement and work with the Settlement Administrator to confirm the correct amount. Any excess Employer Share of Taxes paid by Sterling under this Settlement Agreement shall be returned to Sterling.

3. The Settlement Administrator shall be responsible for the timely reporting and remitting of the Employer Share of Taxes to appropriate taxing authorities and shall indemnify Sterling for any penalty arising out of any failure to remit taxes to the appropriate taxing authorities, any failure to appropriately withhold taxes, or an incorrect calculation, and/or interest with respect to late payment of the same, unless such failure is the result of Sterling's failure to fulfill its obligations in a timely manner. Subject to the Settlement Administrator's obligation to comply with applicable laws, the Parties anticipate that any

amounts designated as interest shall not be subject to withholding and shall be reported, if required, to the IRS on Form 1099-INT. The amounts paid for attorneys' fees and costs shall not be subject to withholding and shall be reported to the IRS on Form 1099-MISC.

4. Except with respect to the Employer Share of Taxes, the Settlement Administrator shall be responsible to satisfy from the Class Settlement Fund, any and all federal, state, and local employment and withholding taxes, including, without limitation, federal and state income tax withholding, FICA, Medicare, and any state employment taxes. The Settlement Administrator shall satisfy all federal, state, local, and other reporting requirements (including any applicable reporting with respect to attorneys' fees and other costs and expenses subject to reporting), and any and all taxes, penalties, and other obligations with respect to the payments or distributions of the Class Settlement Fund not otherwise addressed herein. The Settlement Administrator shall indemnify Sterling against any liability relating to the Settlement Administrator's failure to pay timely any taxes, penalties, or other obligations relating to the payments or distributions from the Class Settlement Fund, other than any failures to make timely payment, penalties, or other obligations caused by Sterling's failure to fulfill its obligations in a timely manner.

5. All (i) taxes (including any estimated taxes, interest, or penalties) arising with respect to income earned by the Class Settlement Fund, including any taxes or tax detriments that may be imposed on Sterling with respect to income earned for any period during which the Class Settlement Fund does not qualify as a "Qualified Settlement Fund" for federal and state income tax purposes (hereinafter "Settlement Fund Taxes"), and (ii) expenses and costs incurred in connection with the operation and implementation of this paragraph (including, without limitation, expenses of tax attorneys and/or accountants and mailing and distribution

costs and expenses relating to filing (or failing to file) any returns described herein or otherwise required to be filed pursuant to applicable authorities) (hereinafter “Settlement Fund Tax Expenses”), shall be paid out of the Class Settlement Fund. Further, Settlement Fund Taxes and Settlement Fund Tax Expenses shall be treated as a cost of the administration of the Class Settlement Fund. The Parties will cooperate with the Settlement Administrator, each other, and their tax attorneys and accountants to the extent reasonably necessary to carry out the provisions set forth in this paragraph.

6. Class Counsel and Sterling do not intend this Settlement Agreement to constitute legal or tax advice regarding any federal, state or local tax issue. To the extent that this Settlement Agreement, or any of its attachments, is interpreted to contain or constitute advice regarding any federal, state or local tax issue, such advice is not intended or written to be used, and cannot be used, by any person for the purpose of avoiding any tax liability or penalties. The tax issues for each Settlement Class Member are unique to her, and each Settlement Class Member is advised to obtain tax advice from her own tax advisor with respect to payment resulting from this Settlement Agreement.

7. Other than Sterling’s responsibility for the Employer Share of Taxes payment as discussed above, Sterling shall have no withholding, reporting or any other tax or reporting or payment responsibilities with regard to distributions from the Class Settlement Fund unless otherwise required by law. Moreover, Sterling shall have no liability, obligation, or responsibility for the administration of the Class Settlement Fund, or the disbursement of any monies from the Class Settlement Fund except for (1) its obligation to transfer the amounts to the Class Settlement Fund as set forth in Section V.A. above; (2) its obligation related to the Employer Share of Taxes as set forth in Section V.B. above; and (3) its

agreement to cooperate in providing information which is necessary for Settlement administration set forth herein.

L. Schedule for Payment

Within ten calendar days of the Effective Date, the Settlement Administrator will wire to Class Counsel the amounts approved for payment as attorneys' fees and costs and expenses and will issue a check or checks to each Settlement Class Member who does not timely opt out of the Settlement Agreement for their wage, interest, liquidated damages, and service payment amounts, and will make appropriate withholdings consistent with Section V.K. Those checks, including a statement of any withholdings, will be mailed to the last known address of Settlement Class Members by first-class mail. The Settlement Administrator shall update the address for each Settlement Class Member using the United States Postal Service's address updating service prior to mailing the settlement checks. Each check will be clearly marked that it must be cashed within 120 days of the date on the check. The back of each check will contain a legend stating: "I have received and read the Class Notice in *Jock, et al. v. Sterling Jewelers, Inc.* By receiving this check and accepting payment, I (1) consent to join this lawsuit and/or the Equal Pay Act collective action, (2) elect to participate in the Settlement, and (3) agree that I have waived and released the Released Parties from all Released Claims as defined in the Settlement Agreement and in the Notice in this lawsuit. This Release will be effective as of the Effective Date." 60 days after the initial mailing of the first settlement payments, the Settlement Administrator shall mail a reminder postcard to each Settlement Class Member who as of that date has not cashed her settlement check or checks.

M. Undeliverable Checks

In the event a check is returned to the Settlement Administrator as “undeliverable,” the Settlement Administrator shall, no later than seven days after receipt of the returned check, attempt to locate a new address for the Settlement Class Member by conducting an electronic search. If the Settlement Administrator is able to locate the Settlement Class Member through an electronic search, it shall promptly reissue the check to the Settlement Class Member at the new address. All checks returned from a Settlement Class Member for whom the Settlement Administrator is unable to find a new address or that are returned again after mailing to a second address, shall be voided and a new check issued to the Settlement Class Member if requested before the expiration of 120 after the initial issuance of the check. If the Settlement Class Member does not cash her check(s) within 120 days after the initial issuance of the check, the check shall be voided, and no additional amounts shall be due to any Settlement Class Member whose check was not cashed within the initial 120-day check cashing period, and the unclaimed funds shall be distributed as described in Section V.O.-V.P.

N. Deceased Settlement Class Members

If a Settlement Class Member who is eligible to receive monetary relief under this Settlement Agreement is deceased as of the time of such distribution hereunder, the Settlement Administrator may direct that the amount be payable to the estate of such Settlement Class Member. If the Settlement Administrator determines that there is insufficient information or proof regarding the deceased person’s estate to permit such payment, the deceased person’s share shall be distributed as described in Section V.O.-V.P.

O. Distribution of Funds from Uncashed Checks in the Initial Check Mailing Period

Once the initial check mailing to Settlement Class Members has been completed and 120 days has expired from the initial mailing date, the Settlement Administrator shall determine whether it is economically feasible to distribute the amount remaining in the Class Settlement Fund (including the amount remaining in the Reserve Fund) to Settlement Class Members who cashed their checks in the initial mailing. In the event the Settlement Administrator determines that it is economically feasible to distribute checks in a second mailing, the amount remaining in the Class Settlement Fund shall be paid to Settlement Class Members who cashed their checks in the initial mailing period using a pro rata share formula whereby the amount allocated to the Settlement Class Member for wages, interest and liquidated damages is divided by the total amount of wages, interest, and liquidated damage amounts of all Settlement Class Members times the remainder amount of the Class Settlement Fund after the initial check distribution and expenses of the Settlement Administrator have been deducted. The Settlement Administrator shall mail the second round of settlement checks by first-class mail to Settlement Class Members who cashed their checks during the first distribution of checks. The Settlement Administrator will follow the same tax allocation set forth in Section V.K. for the second distribution of checks. Each check mailed in the second distribution of checks will be clearly marked that it must be cashed within 120 days of the date on the check. Sterling shall pay the Employer Share of Taxes on this second distribution of checks. Sixty days after the initial mailing of the second settlement payments, the Settlement Administrator shall mail a reminder postcard to each Settlement Class Member who as of that date has not cashed her second round settlement check or checks.

P. Distribution of Funds After the Second Check Distribution Period Expires

If there is any balance remaining in the Class Settlement Fund after the 120-day period for cashing the second distribution checks has expired, 25 percent of any unclaimed funds will be paid to a fund dedicated to promoting diversity, equity, and inclusion to support female associates at Sterling (“DEI Fund”) and the remaining 75% of such funds will be distributed *cy pres* to one or more charities selected by Class Counsel and agreed to by Sterling and subject to the approval of the Arbitrator.

Q. General Monetary Provisions

The funds described above in Section V. represent the total amount that Sterling agrees to pay for this settlement, and under no circumstances will Sterling pay more than the amounts described above. None of the funds identified above, other than any excess payment of Employer Share of Taxes, shall revert to Sterling unless the Settlement Agreement is not approved by the Arbitrator or confirmed by the District Court. If any amounts in the Settlement Agreement designated for service payments, attorneys’ fees, or costs and expenses are not approved by the Arbitrator or the Court, any amounts not approved shall be distributed to Settlement Class Members pro rata as part of the Class Settlement Fund.

VI. COMMUNICATIONS REGARDING THE SETTLEMENT AGREEMENT

A. Confidentiality Prior to Filing a Motion for Preliminary Approval

No disclosure of the settlement or its terms will be made by either party until the motion for preliminary approval of the settlement is filed with the Arbitrator, except that Sterling may inform its executives, auditors or accountants and Class Counsel may inform the Named Claimants and Special Claimants of the details of the settlement at this time with the understanding that they will keep the fact of and the terms of the settlement confidential until after preliminary approval. The Parties understand that strict confidentiality of the

settlement until the public announcement is a material condition for this Settlement Agreement.

B. Joint Statement to Inform the Public About the Settlement

The Parties have agreed to inform the public about the Settlement Agreement via a joint statement made available on Class Counsel's website, and they have agreed to notify various media outlets about the joint statement upon the filing of the motion for preliminary approval. Thereafter, any other communications with the public or any media outlets will be consistent with the agreed upon joint statement.

C. Sterling's Communications with Settlement Class Members

Sterling will have the opportunity to communicate to its current employees about this Settlement Agreement, but Sterling has agreed to provide Class Counsel with an advance copy of any such written communication and will provide sufficient time for Class Counsel to comment on the written communication.

D. Communications by Named Claimants and Class Counsel

Named Claimants have designated lead Class Counsel, Joseph Sellers, to be their sole contact with the media regarding this Settlement Agreement. In the event media outlets reach out to Class Counsel about the Settlement, Mr. Sellers' response to such inquiries will be consistent with the joint statement and/or talking points that the Parties have conferred and agreed upon.

VII. PROGRAMMATIC RELIEF

A. Access to Validation Studies

1. Within five business days of the date of the Preliminary Approval Award, Sterling will produce to Class Counsel Dr. Chester Hanvey's reports on his validation studies, which will describe his methodology, his findings and recommendations for

Sterling's current or projected pay setting tool and the Leadership Traits applicable to its Retail Sales Associates.

2. The materials produced will be sufficient for Class Counsel, in consultation with Dr. Lundquist, to assess whether these studies were undertaken consistent with the validation standards prescribed by the Uniform Guidelines on Employee Selection and the SIOP Principles.

3. In addition to the opportunity to review these reports, Class Counsel and/or Dr. Lundquist will be provided the opportunity to submit written questions about the validation processes within 30 days of receiving Dr. Hanvey's reports, and Sterling will provide detailed written responses sufficient to satisfy the standard in paragraph 2 above within 20 days of receiving those questions.

B. Implementation of the Pay and Promotion Practices

1. Sterling will drop, if not already done, and not reinstate the WRG, Career Advancement Registry as the sole method of measuring interest in promotions, and the old succession planning process as it existed as of 2016.

2. For a period of three years after the Effective Date of the Settlement Agreement, Sterling will provide to Class Counsel an annual certification/declaration in sufficient detail to permit Class Counsel and/or Dr. Lundquist to confirm that its initial wage setting practices are being implemented consistent with the validation study. If Sterling believes it is necessary to make changes to its initial wage setting practices during this period, it will do so consistent with the validation study or in consultation with Dr. Hanvey and provide Class Counsel with the reason(s) for the changes and demonstrate how the

changes comport with the validation study or otherwise are consistent with the Uniform Guidelines for Employee Selection and the SIOP Principles.

3. For a period of three years after the Effective Date of the Settlement Agreement, Sterling will provide to Class Counsel an annual certification/declaration in sufficient detail to permit Class Counsel and/or Lundquist to confirm that its promotion practices applicable to Retail Sales Associates are consistent with its current promotion policy and to confirm that its use of the Leadership Traits for making promotions into retail management positions is consistent with the validation study and the Uniform Guidelines for Employee Selection and the SIOP Principles.

C. Other Measures to Enhance Sterling's Support of the Women in its Workplace

1. For a period of three years following the Effective Date of the Settlement Agreement:

a. Sterling will continue to offer and improve its mentorship programs and leadership training for women and will provide a description of these programs and any related training to Class Counsel as part of its annual certification/declaration.

b. Sterling will continue to implement its current parental leave policy and will ensure it is consistent with the best practices announced by the EEOC and provide Class Counsel with a description of its policy and any changes made during this period.

c. Sterling will continue to maintain its system for reporting and investigating workplace complaints and ensure it is consistent with the best practices announced by the EEOC and provide Class Counsel with a description of this system and any changes made during this period.

D. Miscellaneous Items Regarding Programmatic Relief

1. All materials produced by Sterling in connection with this Programmatic Relief provision will be treated as confidential pursuant to the confidentiality agreement in place in this Arbitration.

2. The Arbitrator will retain jurisdiction for a period of three years from the effective date of the Settlement Agreement to adjudicate any unresolved disputes regarding the provisions of this Agreement, which will be final and binding on the parties.

3. Claimants may retain, and compensate, Dr. Lundquist for services she renders in connection with this Programmatic Relief provision and bill the cost of those services, not to exceed \$100,000, as a cost of settlement administration. Any fees, costs, and expenses incurred by Dr. Lundquist for work she performs pursuant to this Settlement Agreement, including any work she has performed prior to the effective date of the Settlement Agreement will be paid from the Reserve Fund.

VIII. RELEASE

A. Settlement Class Member Release

Upon the Effective Date, in consideration for the payments and benefits received under this Settlement Agreement, each of the Settlement Class Members, on behalf of themselves and each of their heirs, representatives, successors, assigns, and attorneys, shall be deemed to have fully, finally, and forever released, dismissed with prejudice, relinquished, and discharged the Released Parties from any and all claims of whatever nature, known or unknown, that the Settlement Class Members may have against the Released Parties, arising out of the same transaction, series of connected transactions, occurrences or nucleus of operative facts that form the basis of the claims that were or could have been asserted in this Litigation, including but not limited to all individual, class, and collective claims for gender

discrimination in pay and promotions in violation of Title VII of the Civil Rights Act of 1964, as amended, and the Equal Pay Act, and state law counterparts, including any related claims for penalties, liquidated damages, punitive damages, interest, attorneys' fees, litigation costs, restitution, or injunctive, declaratory, or equitable relief (the "Release"). This Release applies regardless of whether the Settlement Class Member cashes or deposits her individual payment from the Class Settlement Fund.

B. Named Claimant and Special Claimant General Releases

Upon the Effective Date, in addition to the Release contained in Section VIII. below, and in consideration of the Service Award granted by the Arbitrator to her, each of the Named Claimants and Special Claimants, on behalf of themselves and each of their heirs, representatives, successors, assigns, and attorneys, shall be deemed to have fully, finally, and forever released, dismissed with prejudice, relinquished, and discharged the Released Parties from any claims, demands, rights, causes of action, fees and liabilities of any kind nature, and description whatsoever, whether known or unknown, whether under federal, state, and/or local law, statute, ordinance, regulation, common law, or other source of law, which the Named Claimants or Special Claimants had, now have, or may have, prior to the date of the Preliminary Approval Award, including but not limited to those claims which (i) allege discrimination, retaliation, or harassment of any kind whatsoever; (ii) allege wrongful discharge or demotion or failure to promote or hire; (ii) allege any wage and hour violations of any kind whatsoever; or (iii) allege any statutory, constitutional, regulatory, contractual or common law claims for wages, damages, restitution, equitable relief, or litigation costs; and (iv) any and all claims for penalties, liquidated damages, punitive damages, interest, attorneys' fees, litigation costs, restitution, and injunctive, declaratory or equitable relief (the "Named Claimants' and Special Claimants' Release of Claims"). For the avoidance of

doubt, the Named Claimants' and Special Claimants' Release of Claims is a full and complete general release of all possible claims to the maximum extent allowed under the law.

C. Knowing and Voluntary Waiver

Every Settlement Class Member, Named Claimant and Special Claimant shall be deemed to and shall have knowingly and voluntarily waived, released, discharged and dismissed the Released Claims and/or the Named Claimants' and Special Claimants' Release of Claims, as applicable, with full knowledge of any and all rights they may have, and they hereby assume the risk of any mistake in fact in connection with the true facts involved, or with regard to any facts which are now unknown to them.

D. Waiver of Unknown Claims (California-Only)

Settlement Class Members, Named Claimants, and Special Claimants residing in California acknowledge there is a risk that subsequent to the execution of this Settlement Agreement, they may incur or suffer damage, loss, or injury to their person or property that is unknown or unanticipated at the time of the execution of this Settlement Agreement. The releases contained herein shall and do apply to all unknown and unanticipated results or any and all matters caused by or connected with the Released Claims or Named Claimants' and Special Claimants' Release of Claims. Accordingly, Settlement Class Members, Named Claimants, and Special Claimants acknowledge that they have read the provisions of the California Civil Code Section 1542, which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER, MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

Settlement Class Members, Named Claimants and Special Claimants acknowledge that Section 1542 gives them (the "Creditor" in the capitalized text quoted above) the right

not to release existing claims against the Released Parties (the “Debtor” in the capitalized text quoted above) of which they are not now aware, unless they voluntarily choose to waive this right. By participating in this Settlement, Settlement Class Members, Named Claimants, and Special Claimants voluntarily and knowingly waive the rights described in Section 1542, and elect to release all of the claims described in Sections VIII, as applicable, that now exist in their favor, whether known or unknown.

E. Reports to Government Entities.

Nothing in this Settlement Agreement, including this Section VIII, restricts or prohibits any Settlement Class Member, Named Claimant, or Special Claimant from initiating communications directly with, responding to any inquiries from, providing testimony before, providing confidential information to, reporting possible violations of law or regulation to, or from filing a claim or assisting with an investigation directly with a self-regulatory authority or a government agency or entity, including the U.S. Equal Employment Opportunity Commission (“EEOC”), the Department of Labor (“DOL”), the National Labor Relations Board (“NLRB”), the Department of Justice (“DOJ”), the Securities and Exchange Commission (“SEC”), Congress, and any agency Inspector General (collectively, the “Regulators”), or from making other disclosures that are protected under the whistleblower provisions of state or federal law or regulation.

However, Settlement Class Members, Named Claimants, and Special Claimants are waiving their right to receive any individual monetary relief resulting from any such claims that would otherwise be released under the terms of this Settlement Agreement, regardless of whether they or another party have filed them, and in the event any Settlement Class Member obtains such monetary relief, the Defendants will be entitled to an offset for the payments

made pursuant to this Agreement, except where such limitations are prohibited as a matter of law. Whistleblower awards from the SEC are specifically exempted from this provision.

IX. NOTICE, FAIRNESS HEARING, FINAL APPROVAL

Subject to approval by the Arbitrator, the Parties hereby agree to the following procedures and schedule for notice and submission of this Settlement Agreement to the Arbitrator for approval pursuant to Rule 23(e) of the Federal Rules of Civil Procedure.

A. Notice

The Parties agree to submit this Settlement Agreement and attachments to the Arbitrator for preliminary approval, and in doing so, agree to recommend that the terms of the Settlement Agreement are fair, reasonable, and adequate to Settlement Class Members as a whole, as Rule 8, AAA Class Rules requires. Attached to this Settlement Agreement as Exhibit 2 is a Notice of the Class Arbitration and Proposed Settlement (“Notice”). The Notice contains a brief description of the claims advanced by the Claimants and Sterling’s denial of liability for such claims, a summary of the terms of the proposed settlement, and a notice of a fairness hearing to be held pursuant to Rule 8, AAA Class Rules. Should the Arbitrator enter a Preliminary Approval Award ordering preliminary approval of the Settlement Agreement, within the time provided below the Settlement Administrator will issue the Notice to Settlement Class Members pursuant to this Settlement Agreement or pursuant to the Arbitrator’s directives contained in the Preliminary Approval Award.

Within 15 days of the date of the Preliminary Approval Award, Sterling shall provide the Settlement Administrator with the following information needed to distribute Notice to Settlement Class Members. Such information shall include for each Settlement Class Member: name; Sterling employment identification number; social security number; last-known address; private email, if known; and the days worked information set forth in Section

V. Within 15 days of the date of the Preliminary Approval Award, Class Counsel shall also provide the Settlement Administrator with last-known addresses and private email, if known, for Settlement Class Members. The Settlement Administrator shall treat this information as confidential and update the information provided by Sterling and Class Counsel with any new addresses for such Class members it may obtain from the National Change of Address database. Within 20 days after the date Sterling provides the Settlement Administrator with information needed to distribute Notice, the Settlement Administrator shall send by first-class mail to each Settlement Class Member a copy of the Notice.

If a Notice is returned as “undeliverable,” the Settlement Administrator shall conduct an electronic search for an updated address for such Settlement Class Member within seven days of receipt of the returned notice, and the Settlement Administrator shall re-mail the notice to any additional address obtained.

The Parties agree to request that the Arbitrator schedule a Final Approval Hearing to determine whether this Settlement Agreement is fair, reasonable, and adequate to the class as a whole on or after 125 days after the date of the Preliminary Approval Award.

B. Objections

Settlement Class Members who wish to present objections to the proposed settlement must do so in writing. Written objections shall state with specificity the provision(s) of the Settlement Agreement to which the Settlement Class Member objects and whether the objections apply only to the objector, to a specific subset of the class, or to the entire class. Written objections must be mailed or sent by overnight delivery service and must be received by the Settlement Administrator on or before 60 days after the initial mailing date for the Notice. Written objections must also state whether the Settlement Class Member wishes to be heard at the Final Fairness Hearing. Any Settlement Class Member who timely files an

objection with the Settlement Administrator may, but is not required to, speak at the Final Fairness Hearing. Such Settlement Class Member may obtain her own attorney to speak on her behalf, but the objecting Settlement Class Member must bear the expense of any such attorney. Objections raised at the Final Fairness Hearing shall be limited to those matters raised in timely written objections. The Settlement Administrator shall: (i) date stamp the original of any objections it receives, (ii) serve copies on Class Counsel and Sterling's counsel no later than three (3) business days after the Settlement Administrator receives the objections, and (iii) file the date-stamped originals with the Arbitrator no later than ten days prior to the date of the Final Fairness Hearing. The Settlement Administrator shall retain copies of all written objections until the Settlement Administrator is relieved of its duties and responsibilities under the Settlement Agreement.

C. Opt-Out Requirements

Settlement Class Members may exclude themselves from the monetary provisions of the Settlement Agreement by sending a request for exclusion to the Settlement Administrator by U.S. mail or overnight delivery service such that the request for exclusion must be received by the Settlement Administrator on or before 60 days after the initial mailing date for the Notice. The request for exclusion must contain the Settlement Class Member's name, telephone number, last four digits of her Social Security number, and Sterling employee identification number, if known, and their signature. By excluding themselves from the Settlement Agreement, the Settlement Class Member shall (i) not have any rights under the Settlement Agreement, (ii) not be entitled to any monetary payment under the Settlement Agreement, (iii) not be allowed to object to the Settlement Agreement; and (iv) and will not be bound by the releases in the Settlement Agreement.

D. Dismissal With Prejudice at Expiration of Settlement Agreement

The Litigation shall be dismissed in its entirety, with prejudice, at the end of the term of this Settlement Agreement, pursuant to a joint stipulation of dismissal filed with the Arbitrator. All individual claims of the Named Claimants and Special Claimants will be dismissed with prejudice in all applicable forums including those brought through The RESOLVE Program of Sterling. Named Claimants and Special Claimants will not be precluded from bringing any charge or participating in proceedings with the EEOC or state law counterparts; provided, however, Named Claimants and Special Claimants waive any right to monetary recovery arising out of any charge or proceeding with the EEOC or state law counterpart, including proceedings in connection with EEOC v. Sterling Jewelers Inc., Case No. 08-CV-706 (W.D.N.Y.) for claims that occurred on or before the date of the Preliminary Approval Award.

X. COOPERATION FOR SEEKING APPROVAL OF THE SETTLEMENT

A. Motions for Preliminary and Final Approval and Confirmation of the Settlement

Class Counsel will be responsible for drafting all briefs seeking approval of the settlement, including a joint motion to confirm the settlement, in the event the Arbitrator enters a Final Approval Award. Sterling will have an opportunity to comment on the drafts before they are submitted to the Arbitrator or the District Court. The expenses incurred by the Settlement Administrator to send these CAFA Notices will be included in the overall Settlement Administrator fees and costs to be paid from the Gross Settlement Fund.

XII. CONFIRMATION OF THE FINAL APPROVAL AWARD

A. Joint Motion for Confirmation of the Final Approval Award

Pursuant to Rule 12(c) of the Supplementary Rules for Class Arbitration (AAA), the Parties consent to the Final Approval Award being confirmed by the District Court. In the event the Arbitrator enters a Final Approval Award, the Parties agree to jointly file a motion with the District Court seeking confirmation of the Award pursuant to the Federal Arbitration Act (FAA), 9 U.S.C. § 9. Class Counsel will be responsible for drafting all briefs seeking confirmation of the settlement, and Sterling will have an opportunity to comment on the drafts before they are submitted to the District Court. In the event the Parties are unable to agree on language in the briefs, Sterling may file its own brief addressing any issues of disagreement.

XIII. TERMINATION OF THE SETTLEMENT AGREEMENT

A. Grounds for Termination of the Settlement Agreement

This Settlement Agreement may be terminated by Class Counsel or Sterling if the Settlement Agreement does not obtain final approval by the Arbitrator, the District Court fails to confirm the Arbitrator's Final Approval Award, or an appeal is timely filed that results in reversal of the approval by the Arbitrator or confirmation of the Settlement Agreement by the District Court. Sterling may terminate the Settlement Agreement if more than 500 Settlement Class Members exclude themselves from the monetary provisions of this Settlement Agreement. In order to exercise its right to terminate the Settlement Agreement, Class Counsel or Sterling must exercise its right to terminate this Settlement Agreement by providing notice of termination of the Settlement Agreement within 15 days of receipt of notice that the Settlement Agreement has not been finally approved by the Arbitrator, the District Court has not confirmed the approval of the Arbitrator, or approval or confirmation of the Settlement Agreement is reversed on appeal. Sterling may exercise its right to terminate the Settlement Agreement if within 15 days of Sterling's counsel being provided notice that more than 500 Settlement Class Members opted out of the Settlement Agreement, Sterling notifies Class Counsel of its intent to terminate the Settlement Agreement.

NOTICE OF CLASS ARBITRATION AND PROPOSED SETTLEMENT

If you are a woman (1) who worked for Sterling Jewelers Inc. between July 22, 2004 and May 2, 2018 as a part-time or full-time sales associate, department manager, assistant manager or assistant general manager, or store manager or general manager in one or more of the following retail stores: Belden, Friedlanders, Goodman, Jared, JB Robinson, Kay, LeRoys, LeVian, Marks & Morgan, Osterman, Rogers, Shaws, Weisfield, or Ultra Diamonds (after Ultra Diamonds was acquired by Sterling Jewelers Inc. (“Sterling”) effective June 1, 2013); or (2) you previously submitted a form to opt into this Case, this class and collective action settlement (“Settlement”) may affect your rights, and you could receive money.

You do not need to take any action to participate in the Settlement. You must take action to exclude yourself from the Settlement.

This is an officially authorized notice. This is not a solicitation from a lawyer.

GENERAL INFORMATION

1. What Is This Case About?

Pursuant to Sterling’s RESOLVE Program, which was a mandatory three-step alternative dispute resolution program, in 2008, Laryssa Jock, Christy Meierdierks, Kelly Contreras, Maria House, Denise Maddox, Lisa McConnell, Gloria Pagan, Judy Reed, Linda Rhodes, Nina Shahmirzadi, Leighla Smith, Dawn Souto-Coons and Marie Wolf (collectively, the “Named Claimants”), brought a Class and Collective Action in arbitration on behalf of themselves and other similarly situated women (the “Case”). In the complaint, the Named Claimants alleged that

Sterling engaged in sex discrimination by denying women the same promotional opportunities made available to men and compensating women less than men for the same work performed in the same facilities in violation of Title VII of the Civil Rights Act of 1964 as amended and the Equal Pay Act (hereinafter referred to as the “Federal Civil Rights Laws”.) Throughout the pendency of this Case, Sterling has denied and continues to deny any and all allegations of actual or potential wrongdoing and/or violations of law. Sterling ceased using the RESOLVE Program as of May 2, 2018.

At the time this Settlement was reached, the parties had completed fact gathering about the women’s claims and the defenses to them and were preparing for a trial that was scheduled to begin on September 6, 2022.

2. Who Can Participate in the Settlement?

The Settlement includes a Title VII Settlement Class and EPA Settlement Class (defined below) and together the individuals in these classes are referred to in this Notice as the Settlement Class Members. If you are a Settlement Class Member, your rights are affected by this Settlement.

The Title VII Settlement Class and the EPA classes are limited to women who are or were employed by Sterling Jewelers in any of the following positions (“Retail Sales Associates”): Part-time Sales Associates, Full-time Sales Associates, Department Managers, Assistant Managers, Assistant General Managers, Store Managers, or General Managers in one or more of the following retail stores: Belden, Friedlanders, Goodman, Jared, JB Robinson, Kay, LeRoys, LeVian, Marks & Morgan, Osterman, Rogers, Shaws, Weisfield, or Ultra Diamonds (after Ultra Diamonds was acquired by Sterling Jewelers Inc. effective June 1, 2013).

The Title VII Settlement Class includes all female Retail Sales Associates who are or were employed by Sterling at any time between July 22, 2004 and May 2, 2018.

The EPA Settlement Class includes all female Retail Sales Associates who are or were employed By Sterling Jewelers and who submitted forms consenting to join the EPA case in 2016. These women are identified on Exhibit 1 to the Settlement Agreement.

3. Why Did I Receive This Notice?

Sterling’s records indicate that you are a Settlement Class Member.

THE TERMS OF THE SETTLEMENT

4. What Are the Terms of the Settlement?

Monetary Terms: Sterling has agreed to pay a total of \$175,366,000 for the monetary portion of this Settlement. This includes \$125,000,000.00 payable to the Settlement Classes and Service Payment Recipients (defined below), \$45,000,000.00 paid to Class Counsel as attorneys’ fees and \$4,866,000.00 for reimbursement of out-of-pocket costs litigation expenses incurred in this litigation, and \$500,000.00 paid to EPIQ, a third-party settlement administrator hired to administer

this settlement. For the monetary payments to Settlement Class Members, 25% of the amount will be reported on an IRS Form 1099-MISC and 1099-INT as other income or interest and 75% of the amount will be reported on an IRS Form W-2 as wages. Sterling will pay the employer share of taxes normally collected on those settlement funds paid as wages.

Programmatic Relief Terms: Sterling has agreed to retain an expert to confirm that its method of settling starting pay for Retail Sales Associates and its leadership traits used for promotions are consistent with generally accepted best practices under Federal Civil Rights Laws and revise such practices as recommended by the expert. Sterling will provide the results of these studies to Class Counsel to review and confirm compliance. Sterling has also confirmed that it has discontinued and will not reinstate certain pay setting and promotion practices that were challenged in this Case. Furthermore, Sterling has agreed to continue to offer and further develop, as needed, (1) its mentorship programs and leadership training for women, (2) its parental leave policy, and (3) its workplace complaint investigation policies/practices to ensure that they continue to be consistent with best practices announced by the U.S. Equal Employment Opportunity Commission (“EEOC”). For a period of three years, Sterling will provide Class Counsel with annual certifications that its pay and promotion practices comply with the recommendations made by its expert.

Release: By not excluding yourself from the Settlement (see Question 10, below), and in consideration for the payments and benefits received under the Settlement, you will, on behalf of yourself and each of your heirs, representatives, successors, assigns, and attorneys, be deemed to have fully, finally, and forever released, dismissed with prejudice, relinquished, and discharged Sterling, its parent Signet Jewelers Limited, and any other parent, subsidiaries, divisions, affiliates and related entities, successors and assigns, attorneys, assets, employee benefit plans or funds, and in the case of all such entities, any of its or their respective past, present and/or future directors, officers, fiduciaries, agents, trustees, administrators, shareholders, employees and assigns, whether acting on behalf of those entities or in their individual capacities (collectively, the “Released Parties”) from any and all claims of whatever nature, known or unknown, that you may have against the Released Parties, arising out of the same transaction, series of connected transactions, occurrences or nucleus of operative facts that form the basis of the claims that were or could have been asserted in this Case, including but not limited to all individual, class, and collective claims for gender discrimination in pay and promotions in violation of Title VII of the Civil Rights Act of 1964, as amended, and the Equal Pay Act, and state law counterparts, including any related claims for penalties, liquidated damages, punitive damages, interest, attorneys’ fees, litigation costs, restitution, or injunctive, declaratory, or equitable relief (the “Release”).

A copy of the Settlement Agreement can be viewed and downloaded from the Settlement Administrator’s website: www.sterlingclassarbitration.com.

5. How Will The Settlement Amount Be Allocated?

After deducting amounts for service payments as described in Question 15 and setting aside \$400,000 as a Reserve Fund, the Class Settlement Fund (\$125,000,000.00) will be allocated as set forth below. The amounts below are based on a complete calendar year. If you worked in one or more covered jobs for less than a full calendar year, your settlement amount will be in proportion

to the days you worked in that job.

Title VII Settlement Class: Monetary relief will be allocated on a yearly basis during the period, July 22, 2004 to [the date of the Preliminary Approval Award], as follows: \$2,996 per year for serving as a store manager or general manager, \$1,928 per year as an assistant manager or assistant general manager, \$1,196 per year as a department manager, \$672 per year as a full-time sales associate, and \$270 per year as a part-time sales associate. The minimum amount that any member of the Title VII Settlement Class will be awarded is \$50.00. The settlement share for each member of the Title VII Settlement Class is calculated by dividing the total amount allocated for that member by the total amounts allocated to all members of the Title VII Settlement Class and multiplying this fraction times the total amount allocated to the Title VII Settlement Class.

EPA Settlement Class: Monetary relief will be allocated on a yearly basis during the period, October 16, 2003 to [the date of the Preliminary Approval Award], as follows: \$2,996 per year for serving as a store manager or general manager, \$1,361 per year as an assistant manager or assistant general manager, \$1,152 per year as a department manager, \$500 per year as a full-time sales associate, and \$150 per year as a part-time sales associate. The minimum amount that any member of the EPA Settlement Class will be awarded is \$50.00. The settlement share of each member of the EPA Settlement Class is calculated by dividing the total amount allocated for that member of the EPA Settlement Class by the total amounts allocated to all members of the EPA Settlement Class and multiplying this fraction times the total amount allocated to the EPA Settlement Class. Individuals who are in both the Title VII Settlement Class and EPA Settlement Class will receive payments for being in both classes.

6. How quickly must I cash my check?

Settlement Class Members will have 120 days from the date printed on the checks to cash their checks. Of the funds that remain after this 120 days expires, the Settlement Administrator may, if sufficient funds remain, distribute a second round of checks to all Settlement Class Members who cashed their checks during the initial check cashing period. The payments in a second distribution will be calculated using the same pro rata share formula for those who cashed their initial checks, subject to the same tax allocation, and must also be cashed within 120 days from the date printed on the second checks. *The Release will apply regardless of whether you cash or deposit your individual payment from the Settlement.*

Any funds from the Class Settlement Fund after 120 days have passed from the second distribution, if a second distribution is effected, will be distributed as follows: 25 percent to a fund dedicated to promoting diversity, equity, and inclusion to support female associates at Sterling and the remaining 75% to one or more non-profit organizations that serve the interests of women in the workplace, selected by Class Counsel and agreed to by Sterling (called a *cy pres*).

YOUR RIGHTS AND OPTIONS

7. How Does This Settlement Affect My Rights?

If you are a Settlement Class Member and do not exclude yourself from the Settlement, you will be sent a settlement payment by first-class mail to the address the Settlement Administrator has for you on file and possibly a second check distribution. You will also be bound by the release described in Question 4, above.

8. What Do I Need to Do To Receive A Monetary Payment Through the Settlement?

You do not need to do anything to receive a settlement payment. It is your responsibility to keep the Settlement Administrator updated on your mailing address. See Questions 17 and 18 for the contact information for the Settlement Administrator.

If you do not exclude yourself from the Settlement pursuant to the instructions provided in Question 10, you will be mailed a settlement check approximately 40 days after the District Court confirms the Settlement if there are no appeals of the order finally approving this settlement. You may also receive a second distribution check.

9. What Should I Do If the Class Member Sent This Notice Is Deceased?

An authorized representative of a deceased Settlement Class Member may receive the monetary settlement payment on behalf of the deceased Settlement Class Member. Contact the Settlement Administrator, whose contact information is provided in Question 17, to discuss this matter.

10. What Should I Do If I Want to Exclude Myself From the Settlement?
